A Place For Restoration

Pastors face multiple challenges and carry the burdens of many people. Here is a place where they can obey Jesus' words and go away with Him to a quiet place to rest. For free.

The Springwater Retreat House is a place to pray and listen to the still quiet voice of the Lord.

A place to take a break from the pressure and noise of the world.

A place to find refreshment and the space to discern God's direction in life and ministry

**“ I will refresh the
weary and satisfy the
saint”**

- Jeremiah 31:25
